

NEDGING WITH NAUGHTON PARISH COUNCIL

INTERNAL CONTROL STATEMENT FOR YEAR ENDING 31 MARCH 2024

1. SCOPE OF RESPONSIBILITY

Nedging with Naughton Parish Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

The council is responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk.

2. THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

3. THE INTERNAL CONTROL ENVIRONMENT

The Council:

The council reviews its obligations and objectives and approves budgets for the following year at its January meeting. The January meeting of the council approves the level of precept for the following financial year.

A Councillor is appointed at appropriate meetings, to have responsibility for quarterly bank reconciliation checks.

The full council meets 6 times each year and monitors progress at each meeting by receiving relevant reports from the RFO/parish clerk.

The council carries out regular reviews of its internal controls, systems and procedures. See attached Report.

Payments:

All payments are reported to the council for approval. Two members of the council must sign every cheque or order for payment. The signatories should consider each payment against the relevant invoice, sign the invoice and initial the cheque counterfoil. All authorised cheque signatories are members of the Council.

Payments by BACS: Two authorisations to pay invoices are required for the RFO to make payment. A BACS payment sheet is signed at the next meeting of the Parish Council.

Where delegation permits, as per s.101(1)(a) of the Local Government Act of 1972 and the Council's Financial Regulations, a report will be provided to the next full Council.

Income:

All income is received and banked in the council's name in a timely manner and reported to the council.

Risk Assessments/Risk Management:

The council reviews its risk assessment annually and regularly reviews its systems and controls.

Internal Audit:

The council appoints an independent and competent internal auditor who reports to the council on an annual basis on the adequacy of it's:

- Records
- Procedures
- Systems
- Internal control
- Regulations
- Risk management

External Audit:

The council claims exemption from a limited assurance review due to gross income and gross expenditure both being below £25k and submits an approved exemption certificate from the relevant AGAR.

4. REVIEW OF EFFECTIVENESS

The council has responsibility for conducting an annual review of the effectiveness of the system of internal control, which should include a review of the effectiveness of internal audit. The results of that review must be considered by the Council, which should also approve the Statement of Internal Control.
