

Nedging with Naughton Village Hall Report 2018-2019

Once again it has been a busy year for the committee.

We have held eight events all of which were well attended. We had to turn people away for the games evening. We have six events planned for this year so far.

Regular events:

Pilates and keep fit have continued during the year.

Suffolk Art Link hosted five workshops in the hall during February and March. They may use the hall for future events.

A monthly coffee morning has been started for village residents.

Bookings:

During the year the hall was used for a wedding reception and christening party as well as the annual village produce show, a few children's parties and some meetings. The tables, chairs and utensils have been hired out as well

Maintenance:

The wall has now been restored and no damp has returned. The floor was dug up by the kitchen and repaired in preparation for new kitchen flooring which is being carried out shortly. Work still needs to be carried out at the back to make it more user friendly. We are waiting for the ground to be cleared. Some trees have been cut back which were over hanging the car park. The water heater for the kitchen sink has been replaced as it was causing the electrics to fail. Some wiring has also been replaced.

We will shortly be replacing the tables and some chairs which are getting worn.

Finances:

The accounts show a healthy bank balance. *£3 1/2 Thousand*
