

Nedging with Naughton Village Hall Report  
January 2024

We have held two events since the last PC meeting. The Posh Frock Dinner at the end of November. This was a nice evening not only did we have a lovely meal but were treated to live music from George on the piano. We held our Christmas quiz in December hosted by David with our fish and chip supper and was another good night.

We have events planned for this year. In January we are having our first 'Third Thursday Event' starting with a games board evening on the 18<sup>th</sup> and a beetle drive on the 27<sup>th</sup>. The coffee caravan will also be making another visit on 25<sup>th</sup>.

We now only have one exercise class at the hall – Tai chi – as the Pilates class will no longer be held in the hall. I am still working with Active Suffolk to increase the number of classes held at the hall. A questionnaire was sent to everyone in the village to find out which activities they would like held in the village the response rate was not high but Active Suffolk were not worried by it. They are hoping to start a music exercise class on a Tuesday morning. They will also try to find another Pilates teacher for Wednesday evening. We will be holding a jumble sale in April.

We held a meeting in December and the next is planned for end of January.

The flat roof now has a temporary repair while we try to raise funds for a new roof. We hope the jumble sale will help us raise some fund for this.
