

## Village Hall And Community Council report July 2019

The committee held a meeting last week to discuss events and maintenance.

### Events

Our last event was the Quiz which was well attended.  
The next event will be the BBQ on Sunday.

### Maintenance

The kitchen floor has been replaced and looks good. The kitchen was give a spring clean afterwards.  
The mens toilets need a new door handle. This is in hand.

### Playground inspection

The equipment was inspected and a few repairs were recommended. Some the committee will undertake themselves. But, one will be contracted out as it involves replacing the base under the climbing frame.

We are also waiting for a quote for landscaping around the hall.

New tables and chairs will be arriving next week.
