

Village Hall report March 2020

Events

We have held one event this year. This was a beetle drive which was well attended. Our next event will be bingo on Saturday 14th March. Followed by a Spring quiz on the 18th April.

Meetings

We held our annual general meeting on the 5th March 2020. We had the usual number of people attending despite all the advertising for the meeting. The executive committee were re-elected into the same positions. New members to the committee were Martin Batt and Jan King. Sharon and Alan have both stood down.

Maintenance and building work

The architect has been to look at the hall and will be providing us with some plans in the near future. Then we can proceed further to acquire funding and planning permission.
