

Nedging with Naughton parish council

Village hall report July 2018

Two successful events have been held.

At the end of May we held a spring quiz with fish and chips. This event is always very popular and was over subscribed, we had to turn people away.

On 17th June we held the BBQ it was a lovely sunny Sunday, this was also well attended. As usual the wellie throwing went well and very competitive particularly amongst some of the men. The next event is not until 8th September when there will BINGO.

The damp on the inner wall has now been addressed. The wall has been re plastered and painted.
