

# **Nedging With Naughton Village Hall Report September 2019**

## **Meetings**

The committee held a meeting last week to discuss events and maintenance. The next meeting will be prior to the Harvest Supper.

## **Events**

We have not held any events since the last meeting. Our next event will be BINGO on Saturday. Preparations are in hand for the Harvest Supper on the 5th October at Nedging Hall Barn.

## **Maintenance**

Chris and Martin Batt are going to do the maintenance of the playing equipment themselves. We are still waiting for the ground behind the hall to be cleared so we can make it into a seating area. Unfortunately the company who were coming to give a quote for both the play equipment and the groundwork failed to give us a quote.
