

# Nedging with Naughton Village Hall Report September 2018

## Events:

No events have been organised by the committee for July or August.

The next event will be Bingo organised by Sharon Hawken on Saturday 8th September.

The Harvest Supper will be held on October 6th and is being held at Nedging Barn as usual.

## Bookings:

Over the summer the hall has been used for a wedding reception and christening party as well as the annual village produce show. The tables, chairs and utensils have been hired out as well.

## Regular events:

Pilates and keep fit have continue during the summer. There has been some enquires for another regular event on a Wednesday morning - i believe this may be a 'painting class' for older residents.

There has not been any committee meetings.

## Maintenance:

The wall has now been restored and looks good. Work still needs to be carried out at the back to make it more user friendly. Some trees need cutting back which over hang the car park. The water heater in the kitchen needs repairing as it is not working. One of the toilet seats in the ladies toilets needs replacing as it has a broken hinge.
