

## Nedging with Naughton Village Hall Report

### March 2024

#### Meetings

We held a meeting in January and we have another planned for the end of the month. The planned Third Thursday Events have been held.

#### Events

The take up has not been huge but sometimes these events need more time to get going. Our next one will be on the 21<sup>st</sup> and we are having indoor kurling. I have already had some interest in this session.

We cancelled the planned Pub Games night as there was very little interest in it.

There will be a jumble sale on the 20<sup>th</sup> April and on the 22<sup>nd</sup> May 'The Handlebards' are coming to perform 'The comedy of errors'. All proceeds from these two events will go towards replacing the flat roof.

We have no other events planned at the moment.

We are in the process of building the boule court but the weather is holding it back. Once the weather improves it will be finished.

#### Bookings

The hall is still getting private bookings which is good since we now do not have any regular activities in the hall. Tai Chi is held outside and only uses the hall in extreme circumstances. The coffee caravan is paying its last visit next week. I am hoping that we can start a regular coffee morning starting the first week of May.

#### Maintenance

The flat roof still has a temporary repair while we try to raise funds for a new roof. The damp curtains are still a concern.

We are currently looking for a new contractor to cut the grass and hedge.

We still have some trees to plant and the back field to be maintained.
