

Nedging with Naughton Village Hall Report

The Village Hall closed its doors in the middle of March.

All events were cancelled.

The regular activities held in the hall were also cancelled (Coffee morning, Pilates and Keep fit). And we are no longer taking any bookings.

The hall will remain closed until such time social distancing regulations are relaxed.

This is of course having some impact on the financial situation of the hall because we are no longer receiving any income and some bills are still required to be repaid. Although we are not having to pay Council tax this year.

Proposed building extension

An outline design has been prepared and pre-application advice is being obtained from the Babergh Planning Department. This will include Heritage and Ecology issues that have arisen. Babergh have undertaken to provide written advice by Friday 15th May.
