

## Nedging with Naughton Village Hall Report

July 2022

### Meetings

We held a meeting in June. Gary London and Julie Raison have now joined the Committee and changes are being made to our governing document to allow them to become Trustees, the Charity Commission have been notified. Dan Baker has joined the Council. Mark attended for the last time before he stepped down as Trustee. Gary will now be Deputy Chair and Julie Secretary.

### Building work

The picnic area has been turfed. There is one more area to be cleared and turfed when the weather is cooler and we have some rain. The trees, shrubs and plants will be planted in the Autumn. Paths have returned to the back field and the brambles and long grass will be cut down in the Jubilee wood to make it accessible.

### Playground

Three quotations for the provision of playground equipment have been passed to the Parish Council. The preferred supplier is Kompan. Once the request has been approved for the supply, the VH will obtain a final installation cost.

### Classes

Jack has stopped using the Village Hall for keep fit. There is another lady who is keen to take it and was looking into insurance and logistics. Pilates, Tai Chi, dog training and coffee mornings are still running.

### Events

The Summer quiz held on the 9<sup>th</sup> July. We almost had 63 but this dropped to 55 as unfortunately COVID and illness prevented people attended. Even our quizmaster had COVID.

The next event will be a Children's Picnic on 3<sup>rd</sup> August.

The autumn supper and dance is being held at Nedging Hall Barn on 8<sup>th</sup> October. Shoot the drummer are booked to play.

We are still hoping to hold our 'Posh frocks dinner' in November and just waiting for dates from the caterer and another Christmas quiz in December.
