

Village Hall Report January 2020

Meetings

Our last meeting was held in December to discuss new events and proposed maintenance. We are looking at adding an extension to the hall to provide a meeting room and storage space as well as landscaping outside.

Events

The last event to be held was the Christmas quiz with fish and chips. It was very well attended.

The next event will be a Beetle drive on the 1st February followed by BINGO in March.

Pilates, keep fit and monthly coffee mornings will continue in 2020.

Maintenance

We are still waiting for the vents to be put in the kitchen cupboards.
