

Nedging with Naughton Village Hall Report

Events

Just one event since the last report which was a very interesting talk on Iceland with a Chilli...very appropriate!! supper. This was very well attended.

Maintenance

It cost £186 to have the required inspection on the hibernating bat which was found under the wood panelling. Further work on the dry rot is now delayed until the summer when ventilation will be provided.

The 106 funding could provide hard standing, outdoor furniture, curbing and or landscaping where the land has been cleared. Proposals are to be discussed by Chris and Tim.

Defibrillator has been installed and training needs to be provided. This will be raised with Parish Council.

Light Switches need labelling

Interior heating needs considering in respect of the floor temperature as it can be cold to lie on during exercise classes.

Future Events

1st April Pub Games with ploughmans supper

13th May Quiz Nite with Fish and Chips

10th June Bingo to be organised by Sharon who will provide a supper at £5 per head.

The summer BBQ it has been suggested we change to Sunday 2nd July at lunchtime to avoid a clash with Chelsworth open gardens.

The Village Hall AGM will be held on 30th March 2017
