

VILLAGE HALL REPORT MAY 2018

The village hall held a number of events Quizzes are the most popular but we also held the BBQ, Annual dinner and Harvest supper. Most of which were well attended. The talk which was due to be held in March was cancelled as it was not deemed to be viable.

The hall is let out on a regular basis each week for keep fit and pilates. Once a month for a home school. There have been a number of bookings for parties and meetings during the year. The hall and grounds are booked for a wedding reception in July. Some of the guests will be camping in the field.

The Bat removed itself and the internal work was carried out to replace the wood interior. More internal work is being carried out to remove the damp plaster and replace it.

A working party did this work in April and also cleaned the play equipment and tidied up the side of the hall.

The hall received some money from the Parish council (thank you) to carry out some of the maintenance jobs.

The back of the hall is our next major job, to landscape it and make a patio area with tables, as well as some internal work in the kitchen.

At the AGM the committee was re elected unopposed.

We are looking for more volunteers to help with social events and maintenance work at the hall.

Sheila Goodman
Deputy Chair
Village Hall and Community Council
